ABOUT THE TOURNAMENT

The Eastern Massachusetts Chapter of the National Association of the Remodeling Industry (EM NARI) is a local non-profit membership association dedicated to advancing quality in the professional remodeling industry. Our members include over 200 local businesses – that’s nearly 1,000 area remodeling industry professionals! We have vibrant, growing membership that is actively engaged through educational programs, networking events and opportunities to serve the local community.

In its 20th year, the EM NARI Golf Tournament is our chapter’s largest fundraising event of the year. The full field of over 130 golfers includes many of our region’s finest remodeling contractors and the sub-contractors, suppliers and manufacturers that serve them. The tournament features 18 holes of golf on the idyllic Shaker Hills Country Club course, followed by a buffet lunch and awards presentation. Our tournament also offers raffles to support the work of our scholarship fund. Contact us for information about playing in the tournament and becoming a sponsor.

SUPPORT POWER FORWARD NOW

This year the EM NARI Golf Tournament charity auction will benefit Power Forward, a non-profit organization dedicated to addressing the opioid crisis impacting our region.

The mission of Power Forward is to end the stigma of opioid addiction by creating outreach programs that provide high risk communities with impactful opioid prevention messages and offer resources for families and individuals that are currently being affected by the disease. Power Forward focuses on prevention, education, hope and recovery using mainstream media, outreach opportunities, and public speaking events.

Kevin Stevens, founder of Power Forward, was an NHL all-star who struggled with addiction for over two decades. Through his Power Forward initiative, Kevin reaches communities that are “hot spots” for opioid abuse and through his story, works to stop this epidemic, particularly among youth.
