*Powered by GuildQuality*

### 2018 Service Excellence Award Qualifications and Details

In order to participate, you must be a member of the EM NARI chapter. There will be two categories featuring (1) companies who conduct 20 or fewer projects per year, and (2) companies who conduct over 20 projects per year.

You must submit all completed projects from 2017. If the total number of projects completed is greater than 20, we will select a random sampling of 20 to survey. If you submit fewer than 20 projects, then we will survey all completed projects submitted. From there, we will begin surveying and notify you as clients respond.

If you're already a Guildmember, we'll simply confirm that we have your most recent 20 projects. We will not re-survey any of your customers.
